

# WOWODC 2013 - call for presenters

We are in the planning of WOWODC 2013, and to decide on a date, we would like to know who wants to present at WOWODC next year. If you want to present at WOWODC 2013, please tell us when you are available between June 24 and August 24. You don't have to be 100% certain that you will present, and no need to decide on a subject for now. Send an email to [info@wocommunity.org](mailto:info@wocommunity.org) if you wish to present.

Please note that WOWODC will be in Montreal again.
