

# WOWODC 2011 dates

Hello everyone,

Ok so the majority of people who wants to present at WOWODC 2011 wants to do it in North America, so since a conference without presenters is pretty much useless, we will do it again in Montreal.

But to get more people at the conference, we are offering a choice of 3 dates!

- July 1-2-3 (Room rate: \$129 Canadian dollars, Montreal Jazz Fest ends on this week-end)
- August 26-27-28 (Room rate: \$139 Canadian dollars, Montreal Film Festival starts on this week-end)
- September 10-11-12 (Room rate: \$139 Canadian dollars)

So tell us at which dates you can make it **before November 27** so that we can select the best period to have the maximum of people to attend. As usual, we are using Survs to collect the feedback :

Conference cost would be between \$450 and \$550, it will depends on the number of sessions and if we are doing it at another hotel (in case we have more than 120 people).
