Becoming a Member or Sponsor

By becoming a Member of the WOCCommunity Association, you help us pay the expenses related to the community, like the hosting fees for the server running wocommunity.org, Jenkins and the wiki.

What are the advantages of becoming a member? Not only you help us out, but you also get

- Access to all WOWODC recordings that have not been released to the public
- A voting right for the board of the association

You can also become a Sponsor. By becoming a Sponsor, you get all of the advantages of being a Member, but your organization's logo will also be displayed on the WOCCommunity.org home page! It's a great way to support the community while getting some publicity at the same time. For the record, the front page of the site was viewed 16 826 times in 2012.
